Fundraising is starting this week and the students will have access to their very own fundraising page and will be able to earn prizes for individual money raised and also help achieve classroom incentives such as home passes and movie and popcorn party! Can't wait to see how we do this year!

March into Missions Month!

March into Missions Month is here at last! This is a wonderful month where we pause and recognize and support both local, national and international mission organizations. This is a wonderful way to allow your child to begin to see the hands and feet of Christ at work all around the world!

Our first chapel is on Friday and our very own Moll Family will be presenting! If you can come, we would love to see you there at 8:15am on Friday!

"Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die. Do you believe this?"
