Surveys, record and interpret data, central tendency and range.

Quiz Friday

Classroom News

Due to the school closure, report cards will be sent to you electronically next week and our conferences will be rescheduled. More on that later!

Below I introduced Google Classroom that we will be using. If you do not have a device for your child to use, we are lending out school chrome books for the older students. I will be at school Monday from 7am to 10am if you would like to pick up a Chromebook for you child to use. Let me know by email if you are coming so I know how many to prepare!

GOOGLE CLASSROOM IS HERE!

I am very excited to be launching my Google Classroom this week for my 5th and 6th graders! I have worked hard to upload and create assignments for my students all in one place so they can daily work on classroom and homework assignments.

We still have school, just not in a building but online! The kids will need to be able to log into a computer, laptop or Chromebook and have access to it for several hours each day to complete the assignments that come in. They already have access and have used it this year but for the next two weeks or so this is where they will have to submit most of their work. Very excited about this! Please let me know if you have any other additional questions!

"In those days Caesar Augustus issued a decree that a census should be taken of the entire Roman world. (This was the first census that took place while Quirinius was governor of Syria.) And everyone went to his own town to register."

~ Luke 2:1-3 ~

Prayer Request Corner

Ms. Lick's
5th and 6th
Grade Class

For the next couple weeks, this corner of the newsletter will serve as a place where I will post weekly prayer requests for our students, our families, our community so that we can lift each other up in prayer.

Though we are apart, we can still be a community that loves, cares, encourages and supports each other. So please, as I will be encouraging my students to share prayer requests please let me know how we can be praying for you!
