Classroom News

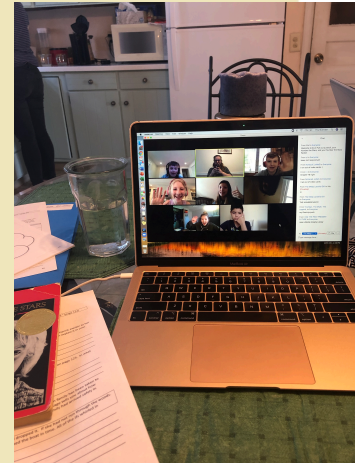

This is our “make up” of school! Each day I have chosen a content area focus on where I will be:

- I will be available for questions via email from 8am-1pm each day on the specific content areas.
- I will be grading that days content areas focus online assignments that day. All packets completed must remain in their learning binders and handed in to be graded when we return.

Zoom Sessions!

I will be starting to host Zoom sessions throughout the week for the next couple weeks (**not this week**).

I will let parents know when and what time in the newsletters each week. The Zoom meetings are optional and will usually be held at 8am or 9am.

Please be sure you have submitted a video of your child reciting the two memory verses from the past two weeks. I will be listening and grading each child on Thursday so be sure to get it to me by then if you have not already. It is important in such times as this, to take up the practice of hiding God's word in our hearts!
