North Shore Christian School  
2018 - 2019

"For by him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things were created by him and for him."  
Colossians 1:6

## Enduring Understandings:

Through the artistic process of creating, presenting, responding, and connecting with art, a foundation of visual art education will be established for all students. Students will become life long learners who appreciate, are capable of creating, and are equipped to engage with art - all with the understanding that God is the ultimate creator and perfecter of all things.
