Penmanship:

Zaner-Bloser

Students' minds are full of amazing ideas and stories. But if their handwriting is messy or even illegible, they can't communicate effectively. *Zaner-Bloser Handwriting* is an engaging and colorful PreK-6 program that integrates with any language arts curriculum and uses academic language and modeling to teach handwriting.

Grades PreK-2 focus on manuscript handwriting. Cursive instruction begins midway through grade 2 or in grade 3, depending on preference.

Bible:

Christian Schools International

For more than 80 years Christian Schools International's Bible curriculum has been a respected resource for Christian schools throughout the U.S., Canada, and the world. The Bible curriculum *Walking With God and His People* carries on that tradition.

Solid in theology and Bible instruction, *Walking With God and His People* was developed to ensure a strong and lasting connection with students. The goal is to equip students with the knowledge they need to understand and believe God's Word, and to reflect that relationship and faith by living lives of gratitude and obedience.
