Classroom News!

Welcome back from winter break! We have some exciting things going on this week like the Capstone Project.

The 100th Day of School is on Thursday. We make it a fun day with free 100 dress day and our annual scavenger hunt put on by Pam Heintz!

Capstone Project

Capstone Project begins Monday! Our 5-7 graders will be research and composing a research paper over the next two months. The students will be developing and sharpening their writing and editing skills. The students will be able to choose a topic from the books they are reading in ELA around World War II.

This week we are introducing or reviewing the program with the students and then picking out their topics!

“I am the good shepherd; I know my sheep and my sheep know me—just as the Father knows me and I know the Father—and I lay down my life for the sheep.”
