Collaborative Critical Thinking:

Jesus decided to stay behind and teach the elders and the priests.

Spiritual Formation: The Scriptures are silent about the life of Jesus until He begins His earthly ministry. Our story this week is John the Baptist preaching and introducing Jesus, the Lamb of God. We will see Jesus being baptized by John and hear the audible voice of His Father saying, "This is my beloved Son; in whom I am well-pleased." This is a significant verse because shortly after that, Satan will tempt Jesus to doubt who He is and prove it!

Our verse this week is: Behold the Lamb of God, who takes away the sins of the world. John 1:29

Flourishing for Impact:

Staying Connected to the Source of Life!

Mrs. Ely reminded us of our school theme this year: *Flourishing to Impact!* She talked about what an **impact** is and also shared about the ways in which we can affect the lives of others for Christ. We can **influence** and **impress**. All of these ways cause some type of change; some of them being more subtle and others going deeper. When something or someone is **impacted**, it is never the same again. The Gospel has the power to change lives so that they are never the same again!
