Collaborative Critical Thinking:

Jesus decided to stay behind and teach the elders and the priests.

Spiritual Formation: This week we will learn about Jesus as a child. Where did He live? What was His life like in Nazareth? I want the children to know that Jesus was once their age and understands what it is like to be a child. We will also look at the story of Jesus teaching the elders and priests in the Temple at Jerusalem. Was He disobedient to His parents by staying behind? Why? Why not?

Our verse this week is : Children obey your parents in the Lord for this is RIGHT! Ephesians 6:1

Flourishing for Impact:

Staying Connected to the Source of Life!

Mrs. Heintz taught us about all of the new things God has given to us and continues to give us! She challenged us to think of a new way of honoring Him this New Year!
