Collaborative Critical Thinking:

Spiritual Formation: This week we will learn about Simeon and Anna who both waited years to see the birth of the Savior. Anna was a widow who spent her time in constant prayer at the temple and Simeon had been told by God that he would live to see the Messiah. My goal is to somehow impart to these little ones what faith is and that sometimes (most times) we do not always "see" answers to prayers or promises fulfilled the way we think we should or in the time that we would like. Faith is the conviction of things NOT seen. My goal is always to teach your children in a way that they develop convictions/standards to live by as they grow up and live their lives for Christ.

Flourishing for Impact:

Staying Connected to the Source of Life!

For our chapel on Thursday, the 19th, Mrs. Ely read *The Legend of the Candy Cane* to the student body and then gave out candy canes to each student. It was a cozy time and the students learned how to share the Good News of Christmas using a candy cane!
