Spiritual Formation: This week our miracle of focus is the feeding of the 5,000.

Our new verse is: *Jesus had compassion on them, for they were like sheep without a shepherd. Mark 6:34*
There are so many great lessons to be learned from this story: 1. God has compassion on us. 2. God is our shepherd and takes care of us. We will briefly discuss the role of a shepherd. 3. God takes what little we have and blesses it if we give it to Him. 4. God is a God of abundance and always gives beyond what we expect. 5. Jesus uses children to partner with Him.

Staying Connected to the Source of Life!

March into Missions has officially been launched! On Friday the Moll family who has two children in our school and partners with World Vision, shared their vision for bringing clean water to a small village and medical clinic in Mumbai, Africa. Clarissa and her children did an excellent job presenting this goal in a very creative, kid-friendly way! We will be accepting donations for this project all month as well as asking our students to participate in our Spirit Day on

Tuesday.
